MAKE MINE AMPEG TONE TO GO

BA-115 BASS COMBO

When you need a portable rig with legendary Ampeg tone, look no further than the BA-115.This powerful combo features a 100-Watt power section and a single 15" Ampeg speaker that can rock a small to medium-sized venue - not to mention the impact it will have on performances in your school hall!. Just plug in and you're ready to rock!

No matter what sound you're after, the Style Control puts absolute tone at your fingertips. With five presets to choose from, and the tone-sculpting capabilities of an onboard 3-band EQ, you'll be dialed in before the drummer can finish setting up his high-hat.

The BA-115's monitor-style, tilt-back design allows you to put the sound where you want it, which is especially handy when you're using the built-in DI for recording or front of house applications. Rock-solid construction and Ampeg thump to go, the BA-115.
